SENATOR KREMER: Senator Lewis are you familiar with the Highway Beautification Act to the extent..would this in any way affect the availability of Federal Funds to carry out the act as designated by the duplication act.

SENATOR LEWIS: To the best of my knowledge, it would not. But I have not investigated it that thoroughly.

SENATOR KREMER: Well this is the only thing that concerns me. I'm not familiar with the act myself in detail like I would like to be, but if this would in anyway endanger the 75% that's available to us with the dismantling of these signs, then maybe we ought to have look at it.

PRESIDENT: Senator Carpenter.

SENATOR CARPENTER: Neither would, Senator Lewis would I be interested. The federal government for example is subject to the condemnation laws of the state of Nebraska when they condemn in this state and I would think in order to be sure that we are not in an unsafe position. And I'm sure that Senator Lewis would have no objection to holding the bill over for the chairman of the committee in order to ask and receive the information. I would presume the proper place to go is to the Attorney General of the State of Nebraska.

SENATOR KREMER: I think Senator Carpenter and Senator Lewis that this might be wise that we do this.

SENATOR LEWIS: Well with the permission of this group I would be happy to hold it over and ask for this opinion.

SENATOR KREMER: Then I will not ask the second question, thank you.

PRESIDENT: Then the question is shall 490 be bracketed on. Do you want me to pass it over or do you want to bracket , Senator Lewis.

SENATOR LEWIS: Let's pass it over, until we find out what the opinion will be on this.

PRESIDENT: Senator Lewis is asking unanimous consent to pass over LB490 on Select File and his amendment to that bill at this time. Are there objections to passing over the bill. Hearing none. It is so ordered. We'll move on to Select File consideration to 591. The chair recognizes Senator Cavanaugh.

SENATOR CAVANAUGH: I already did it. I move for adoption of the amendments to 591.

PRESIDENT: The question is shall the E & R amendments be adopted to 591. All those in favor of adopting the amendments please say aye. Those opposed say no. The amendments are adopted.

SENATOR CAVANAUGH: I move that LB 591 as amended be advanced to E & R for Engrossment.

PRESIDENT: The motion now is advance LB 591 as amended. All those in favor of advancing the bill please say aye, those opposed say no.

SENATOR CAVANAUGH: Mr. President, I move the adoption of the E & R amendment to LB 595
